Mr. Pelham:

I wish to inform you that, in the interest of expediting tomorrow's hearing, North Dakota Pipeline Company LLC has decided not to make a statement to the Commission or examine any witnesses *at tomorrow's hearing*. Since the focus of tomorrow's hearing will be that portion of the proposed project in Morton County, Emmons County and Mercer County, any statement or witness examination by North Dakota Pipeline Company LLC, which has no assets or facilities in those counties, would add little value to tomorrow's proceedings. North Dakota Pipeline Company LLC does, however, plan to participate in the June 15 and June 26 hearings.

Should you require any further information, please contact my office.
